LESSON OUTLINE

Question hook: **What do you think 'heritage' is? What do you think 'heritage' means?**

1. Begin the lesson with the hook questions. Pupils can write their responses on to sticky notes/ squares of paper to be stuck up on the noticeboard or they can respond on the shared Google Slide (**RES1**).
2. **DWS/WS1:** Each Pupil receives a copy before watching the video.
3. **Video1:** Watch the video and add as many ideas as possible to the circle map, answering the question, "What is heritage?"
4. Pupils can then compare this with other pupils' circle maps as well as the ideas on the sticky notes. They can then add extra ideas to their own circle maps.
5. Divide the pupils into pairs. The pair use the information they have gathered to define "Heritage". They should first work in rough to edit and refine their definition. Once they are happy with their definition, they can record their finalised definition of heritage in their notes.
6. **DWS/WS1: (ZedTech)** Cut out the different examples of heritage on the worksheet and paste them onto the tree map. Arrange the headings appropriately. Use the guideline memo (Slide 4) to check once the pupils have completed the task. **(TechLoaded)** Copy pictures and headings on Slide 3 onto the template on Slide 2.
